  <h2>About Me</h2>
  <p>
    Hello! I'm <b>TUNGA Tiana</b>, a 13-year-old innovator from Rwanda
💚. I love creating cool projects and learning new skills. I'm passionate
about building things that can make life easier for people through
technology and creativity.
  </p>
  <p>
    I have experience in Arduino projects, 3D printing, and coding in C.
I also enjoy designing fun and educational courses for students and
helping them learn hands-on. In my free time, I love working on projects
that challenge me, making Powerpuff Girls videos with my best friends
💚💗💙, learning new languages like Korean, and watching documentaries.
  </p>
  <p>⭐ <b>Fun fact:</b> I was a teacher (a coach) in a summer camp for
a full month — at only 13 years old!</p>
